

Dear families,

We have enjoyed some beautiful weather this week allowing pupils to make full use of the outdoor spaces and play equipment at Falcon. Over Easter, I shall be attempting to rake over and clear the sandpit which is drying out now. We would love some replacement sandpit toys so any donations would be gratefully received.

On Monday, our Year 3 and 4 pupils performed at the Norfolk County Music Festival. I have heard from parents and grandparents who attended that it was a wonderful event and opportunity for children so a big thanks goes to all staff involved but especially our Music Lead: Mr Welford.

On Tuesday, we held another successful SEN café for parents to drop in and share their experiences and advice with the support of our PSA Julie Barnes and Mrs Wagstaff.

On Wednesday, Goldfinches class listened to a dental hygiene talk given by one of our ex-students who is now an aspiring dentist and on Thursday, prospective students from year 32 at Cecil Gowing took part in a craft afternoon hosted by Mrs Margree and helped by our Team Captains. Our girls football team (Yr 5 &6) played at home to Firside School and will be playing in the semi-final next week against Horsford.

Finally, I had an enjoyable time this afternoon chatting to our Bronze Falcon Star winners over hot chocolate and some colouring: a lovely end to the week.

Next week, we say goodbye to Mrs Langdon who has taught at Falcon Junior School for ten years. Mrs Langdon is taking up a post at Kenninghall Primary and I am sure lots of past pupils and parents as well as the current Flamingos class will want to join me in wishing her lots of future luck and happiness.

With one week left until the Easter holidays, have a wonderful weekend all and see you back at Falcon on Monday.
