

Dear Parents and Carers,

We would like to wish all our Falcon Junior School families a very happy New Year, that you enjoyed a restful and enjoyable break and that 2026 has begun positively for you and your children.

As we start this new term, we would like to share a few important reminders to help ensure a calm, safe and successful start for everyone.

We begin this new term with many exciting opportunities for the children and we teach all pupils the values of being 'ready, respectful and safe' at all times. Every child is entitled to learn and grow in calm, quiet and inspiring environments. All staff share the same clear expectations: pupils should demonstrate excellent learning and playground behaviours, treating adults and their peers with kindness, fairness and equality.

We would also like to remind everyone of the importance of using kind words in all communications, whether it be via email, on the playground or face-to-face contact with our office staff. By working together positively and respectfully, we can create the best possible environment for our children.

Please continue to support our uniform expectations by ensuring that all pupils arrive at school in full and correct school uniform each day. We also ask that pupils arrive promptly in the mornings so that learning can begin on time without disruption. In addition, we kindly remind families to be mindful of parking away from the school site, ensuring the safety of all pupils, families and staff during busy drop-off and pick-up times.

At Falcon Junior School, we want all our pupils to succeed in their personal, social, emotional and academic lives so that they are well prepared for the best futures ahead. We hope that you share this vision and thank you for your continued support as we work in partnership to help every child thrive.

We look forward to a happy, successful and productive term ahead.

Yours sincerely,
The Falcon Junior School Team
