Operation Encompass

Dear Parent / Carer

I am writing to inform you that Falcon Junior School will be taking part again this year in a jointly run operation between Norfolk County Council, Norfolk Police and our school which is called Operation Encompass. Operation Encompass has been set-up to help schools to provide support to children who have been present at incidents of domestic violence. We know that children can be significantly physically or emotionally harmed when they are involved in, present or witness to domestic violence.

The school will receive a confidential notification from Norfolk Children's Services before 9am or as soon as possible thereafter on the morning after any domestic incident which Norfolk Police have recorded where a child at their school has been involved in, present or witness to domestic violence.

The school has designated Mrs Margree, Mr Savage, Mrs Hunter, Mrs Wagstaff and Mrs Toomer as Key Adults. Our Key Adults have received training from Norfolk County Council to allow them to use the information that has been shared to make sure that the right support is available for children and their families who have been involved in or witnessed a domestic violence incident.

We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions, then please contact one of the above Key Adults and we will be happy to discuss this further.

Yours sincerely,

M. Margree
