Dear Children and Families,

Welcome Back

I hope you all had a wonderful and restful break. It is with great pleasure that I welcome you back to Falcon Junior School for the Summer Term.

This is always an exciting and busy time of year, filled with opportunities for learning, growth, and celebration. We have a fantastic range of events and experiences planned for our pupils over the coming weeks.

We are kicking off the term with our PTFA Colour Run this Friday, which promises to be a fun and energetic event for everyone involved. Year 5 are looking forward to their upcoming trip to Colchester Zoo, while our Year 4 pupils will enjoy their residential visit to How Hill—an experience that always creates lasting memories.

There will also be a number of football tournaments taking place, alongside a wide range of after-school clubs for children to get involved in, offering something for everyone.

It is a particularly important term for our Year 6 pupils. Not only will they be sitting their SATs tests, but they will also be taking part in a range of transition activities with their future high schools. These experiences are designed to support them as they prepare for the next stage of their education in September.

Our staff team is eager to continue supporting every child in achieving their best, both academically and personally. As always, we value the strong partnership we have with our families and encourage you to stay connected with the school throughout the term.

Please ensure that children come to school ready to learn each day, with the correct uniform, PE kit, and any necessary equipment. With the warmer weather approaching, we also recommend sending children with a water bottle and appropriate sun protection.

We are excited for all that this term will bring and look forward to seeing our school community thrive.

Thank you for your continued support.

Warm regards,

A handwritten signature in black ink that reads "S. Hunter". The signature is written in a cursive style with a large, looped 'S' and a distinct 'H'.
