Dear parents and carers

We will soon be beginning our Relationships and Sex Education (RSE) at Falcon Junior School. We use "RSE Solution", a scheme of work from Educator Solutions in Norfolk. This ensures that we will be delivering exactly what the Department for Education expects schools to be teaching. We amend lesson plans where appropriate using teachers' professional judgement.

In Year 4, we will be teaching the following topics:

Year group four

My feelings	My body	My relationships	My beliefs	My rights and responsibilities	Asking for help
Pupils can recognise and respond to a wide range of emotions in themselves and others, and ways to respond.	Pupils can reflect on how their body has changed and anticipate body changes, understanding that some are related to puberty.	Pupils are able to judge what kind of physical behaviours and contact are acceptable and unacceptable, and ways to respond.	Pupils recognise differences and similarities between people arise from a number of factors inc. family and personal identity.	Pupils know marriage is a commitment freely entered into by both people, and that no one should marry if they don't absolutely want to or are not making the decision freely for themselves.	Pupils can recognise when they may need help to manage a situation and have developed the skills to ask for help.

If you would like to view any of the Educator Solution lesson plans, please contact your class teacher and we will facilitate this by emailing you copies. Parents have the right to withdraw their children from the non-statutory sex education lessons in Year 6; it is the parents' responsibility to contact the school regarding this. There is no right to withdraw from Relationships Education or Health Education. We are consulting on our draft policies and curriculum. Please email any comments to rse@falcon.norfolk.sch.uk by Friday 3rd November.

As ever, if you have any questions, please ask and thank you for your continued support.
